SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants and their attorney are aware of the following publications and information listed on the attached PTO Form 1449, and in accordance with 37 C.F.R. §1.97 hereby submit these publications for the Examiner's consideration.

Applicants state under 37 C.F.R. §1.97(e)(1) that the publications were cited in two European Search Reports issued in connection with counterparts EP Application No. 02 014 371.5 and EP Application No. 02 014 370.7 not more than three months prior to the filing of this statement. Also enclosed are copies of the European Search Reports for the Examiner's Review.

Applicants further state that identifiers B1-B3 and C1 were previously cited in a Supplemental Information Disclosure Statement from the International Search Report in connection with counterpart PCT Application No. PCT/US99/24278 on May 19, 2000 and therefore copies of the references are not enclosed with this submission.

This submission does not represent that a search has been made and does not constitute an admission that the listed documents are material to patentability or that the listed documents are prior art. If it should be determined that any of the listed documents constitute "prior art" under United States law, Applicants reserve the right to present to the Office relevant facts and law regarding the appropriate status of such documents.

This Supplemental Information Disclosure Statement is being filed within three (3) months of the mailing of the European Search Reports and are therefore submitted as both timely and proper. Therefore, no fees are believed to be due.

Respectfully submitted,

Date: 2/27/04
